REMARKS

The forgoing amendments and remarks are directed to formalities, in order to move the above-referenced patent application to issue. Entry of this paper is respectfully requested.

Remarks to the Specification

The amendments to the specification are editorial in nature and are meant to clarify the use of numbers in paragraph 36. No new matter has been added.

Remarks to the Drawings

Fig. 2 has been amended to match the text in paragraphs [0028] and [0031] which make reference to "color bar code system 50". No new matter has been added.

Applicants submit herewith a new formal drawing of Fig. 2 with the amendment noted above.

It is respectfully asserted that none of the above listed changes add new matter. Approval is requested to the above listed changes.

Should the Examiner have any question or comment as to the form, content or entry of this Amendment, the Examiner is requested to contact the undersigned at the telephone number below. Similarly, if there are any further issues yet to be resolved to advance the prosecution of this application to issue, the Examiner is requested to telephone the undersigned counsel.

No fees are believed due. However, the United States Patent and Trademark Office is hereby authorized to charge Deposit Account Number 501380 any amount which is necessary in connection with the filing of this amendment.
